

Dear Sirs:

Enclosed is a copy I recieved from the school from the ditto people. As you can see, you cannot read it. Besides this, they threw out the dittoes. So I have had to retype all games and look for a new ditto machine. In addition, I have moved to 507 W. Holland, carrying 17 units and working 40 hours. I have settled into my new life here so there will be prompt service in the future. We now have four trophies for the first four finishers; The original one, a large one donated by Spartan Wargamers, and two donated by Edi Birsan. Please bear with me on this issue.
